

# Home Comfort Checklist

Your answers to these questions will help your independent American Standard Heating & Air Conditioning dealer custom-design and fit a system to meet your needs.

1 Are your heating and cooling bills too high?

---

---

---

2 Is your indoor unit or your outdoor unit (or both) too noisy?

---

---

---

3 Do you have a problem with humidity in the summer?  
Or dry air in the winter?

---

---

---

4 Are there any rooms in your home that are always too hot or too cold?

---

---

---

5 Do you have pets or do any family members suffer from allergies?

---

---

---

6 Do you have problems with lingering cooking odors?

---

---

---

7 Does your system run all the time?

---

---

---

8 Does your furnace short-cycle, constantly turning on and off?

---

---

---

9 Is your system easy to maintain with a filter that's easy to get to and change?

---

---

---

10 Is your outdoor unit unattractive and not aging well?

---

---

---

11 Is your unit backyard-safe?

---

---

---

12 Is your system still covered by a warranty?
